NOTES

BRAND

RIKKE FALKOW, Danish architect, founded ULTIMO Design in 1995 to import American Shaker products and since developed her product lineup following the Shaker philosophy. With the Shaker values of purity and durability, the RIKKE FALKOW collection stands for classic craftsmanship and timeless design. Each piece, crafted from natural materials, is handmade and develops a unique patina. RIKKE FALKOW collection consist of handmade items from their country of origin.

BAGS

Handcrafted in Italy

This timeless bag features a spacious center section and two zipper pockets. Its minimalistic design omits shiny hardware. Available in black and nature.

Handcrafted in Florence from premium vegetable-tanned Vacchetta leather, certified by Consorzio Vera Pelle. This full grain leather boasts a soft finish that darkens and develops a unique patina.

The tanning process preserve the leathers natural fat, highlighting its wrinkles and veins for a distinctive appeal.
